2. HOW SUPER WORKS

Super is a tax effective long-term savings plan that enables you to save money for your retirement and is, in part, compulsory.

There are different ways that you and your employer can contribute to your super. While you are working, your employer is, in most cases, required to make contributions to your super account (known as compulsory super or Super Guarantee).

Generally, you have the right to choose the super fund to which these contributions are made. You, your spouse or your employer may also be eligible to make voluntary contributions. Sometimes even the Federal Government may make contributions to your super account.

The Federal Government also provides incentives (including tax concessions) for you to contribute towards your super. However, there are some limits on the contributions that you can make to super. There are also restrictions around when you can access your super. However, when you reach age 65 or your preservation age and have retired, you can access your super savings as a lump sum or receive a regular income stream through a pension account.

A pension account allows you to draw a regular income from your super savings while utilising tax concessions for income streams. Of course, there may be other circumstances when you can access your super.

Go to the section 'How super works' in the OneAnswer Frontier Personal Super and Pension Additional Information Guide at onepathsuperinvest.com.au/forms-and-brochures.

4. RISKS OF SUPER

All investments carry risk and different strategies may carry different levels of risk, depending on the assets that make up the strategy. For instance, assets with the highest long-term returns may also carry the highest level of short-term risk. Before investing, you should consider the level of risk involved with a particular investment and whether the potential returns justify those risks.

When considering risks associated with your superannuation investment, it is important to keep the following in mind:

- the value of investments can rise and fall
- the returns you receive from your investment will vary and future returns may be different to past returns
- returns are not guaranteed and you may lose some of your money
- your future savings (including contributions and returns) may not be enough to adequately provide for your retirement
- your investment may be affected by changes in the economic and political climate or changes to legislation, particularly in relation to taxation and superannuation laws
- you may not be able to withdraw your money at the time you want to, as the law restricts when you can withdraw your funds.

The level of risk you face will vary depending on a range of factors, including your age, investment timeframes, your risk tolerance and what other investments you hold.

Other risks associated with investing through OneAnswer Frontier Personal Super and Pension will depend on the particular investment funds you choose. This includes risks associated with:

- **investing internationally**, including currency risks
- **alternative assets** that behave differently to traditional assets such as shares, fixed interest and cash
- **gearing** – where a fund borrows money in order to invest a greater amount
- **derivatives** that are used to gain exposure to an investment market or to protect against changes in the values of financial products
- **securities lending practices** where some fund managers may engage in lending of securities to third parties for a fee
- **short-selling strategies** used by some fund managers – the selling of the stock which the investment manager does not hold
- **long/short strategies** used by some fund managers – where the manager will short-sell when they expect a decline in the securities' value while purchasing securities they expect will increase in value
- **liquidity risk** – where an investment may not be able to be sold to realise enough cash to fund a withdrawal
- **counterparty risk** – where the other party in a derivative transaction may not be able to meet its financial obligations
- **changes to investment funds** – where an investment fund is added or removed or an existing fund's characteristics may be changed.

You should read the important information about 'Risks of super' before making a decision. Go to the section 'What are my investment risks?' in the OneAnswer Investment Funds Guide at onepathsuperinvest.com.au/forms-and-brochures. Your financial adviser can help you establish an investment profile that suits your needs to manage these risks.

5. HOW WE INVEST YOUR MONEY

OneAnswer Frontier Personal Super and Pension offers you access to a wide range of investment funds, asset managers and asset classes. There are over 80 carefully selected investment options that you can choose to invest in.

You must choose the investment option(s) you wish to invest in; we will not select one for you. We cannot proceed with your application if an investment option is not selected.

In choosing your investments, you should consider the level of risk involved with a particular investment, the level of likely investment return and your timeframe for investment. Your financial adviser can help you establish an investment profile that suits your needs and achieves your retirement goals.

We regularly undertake a review of the investment funds available through OneAnswer Frontier Personal Super and Pension. We may change, add, close or terminate an investment fund at any time. Where we change, add or close investment funds within OneAnswer we will notify new and existing members as soon as practicable, or as required by law, via onepathsuperinvest.com.au or the Fund's Annual Report and/or regular member communications. For up-to-date information about the investment funds, please visit the Product updates page at onepathsuperinvest.com.au

You can switch between investment funds online any time using Account Access at onepathsuperinvest.com.au or by completing a Switch Form which is also available at onepathsuperinvest.com.au. You can switch as many times as required, as your needs change.

A description of each investment fund available is contained in the OneAnswer Investment Funds Guide. An example of the information for the OnePath Growth Index fund is shown on the next page.

OnePath Growth Index

Investment objective

The fund seeks to track the weighted average return of the various indices of the asset classes in which the fund invests, in proportion to the strategic asset allocation (SAA) for the fund, before taking into account fees, expenses, and tax.

Description

The fund is suitable for investors seeking a balance between income and capital growth through passive exposure to a diversified portfolio of assets and who are prepared to accept some variability of returns.

Investment strategy

The fund holds units in a range of underlying funds and/or direct assets to achieve the mix of assets shown in the Asset allocation table below.

The portfolio targets a 30% allocation to income asset classes (cash and fixed interest securities) and a 70% allocation to growth asset classes (property securities and shares).

Actual allocations are permitted to deviate from the strategic asset allocation benchmarks provided they remain within the ranges in the table below. The strategic asset allocation benchmarks and asset allocation ranges may be varied, and new asset classes may be introduced from time to time.

6. FEES AND COSTS

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30-year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** Moneysmart website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

We are required by law to include the above wording, which mentions that members may be able to negotiate lower fees. No contributions fees are included in the fees of this product and the fees are not subject to negotiation except the Adviser Service Fee (ASF).

This section shows fees and other costs that you may be charged and provides an example using the OnePath Growth Index fund. These fees and other costs may be deducted from your money, from the returns on your investment or from the assets of the Superannuation Entity as a whole. The information in the Fees and costs summary on the next page can be used to compare this superannuation product with other superannuation products.

Other fees, such as activity fees or adviser service fees for personal advice may also be charged, but these will depend on the nature of the activity or advice chosen by you. Entry fees and exit fees cannot be charged.

Full details of all fees and costs are contained within the OneAnswer Frontier Personal Super and Pension Fees Guide and Buy-Sell Spread Guide. You should read all the information about fees and other costs because it is important to understand their impact on your investment.

Unless expressly stated otherwise, the fees and costs disclosed in this PDS are shown inclusive of any applicable Goods and Services Tax (GST) less any entitlement to a reduced input tax credit (RITC) available to the Fund.

A related party of the Trustee may receive payments from Australia and New Zealand Banking Group Limited (ABN 11 005 357 522) (ANZ) of up to 0.28% p.a. (plus any applicable GST) of the amounts held in the ANZ Cash Advantage investment option invested with ANZ and/or in ANZ Term Deposits invested with ANZ. These payments are not an additional charge to you.

You should use this table to compare this superannuation product with other superannuation products.

Example – OnePath Growth Index fund		Balance of \$50,000
Administration fees and costs	0.01% p.a.*	For every \$50,000 you have in the superannuation product, you will be charged or have deducted from your investment \$5 in administration fees and costs regardless of your balance

** Additional fees may apply. And, if you leave the superannuation entity, you may also be charged a buy-sell spread which also applies whenever you make a contribution, exit, rollover or investment switch. Note: The Example above is illustrative only. There is a calculator provided by ASIC on its MoneySmart website which can be used to calculate the effect of fees and costs on account balances. Go to www.moneysmart.gov.au

Changes to any fees and charges

Keep in mind we can change the level of fees and charges from time to time without your consent. We will provide you with at least 30 days prior written notice of any increase in fees or charges. Our costs can change at any time without notice to you.

Other investment funds

The fees and costs charged on the OnePath Growth Index fund will differ from those charged on other investment funds offered through OneAnswer Frontier Personal Super and Pension. Other fees and charges may apply that are specific to other investment funds.

Investment Fees

Investment Fees are deducted from the assets of each investment fund and included in the unit price. The Investment Fee includes the Ongoing Fee which comprises both the cost of managing the Fund and the underlying fund manager's Investment Management Fee.

Ongoing Fee rebates

Ongoing Fee rebates apply to account balances over \$300,000 thereby reducing the Ongoing Fee payable.

Personal Super – A rebate of 0.118% p.a. (0.10% p.a. after tax) is applied to account balances over \$300,000 (excluding investments in ANZ Term Deposits and ANZ Cash Advantage).

Pension – A rebate of 0.10% p.a. is applied to account balances over \$300,000 (excluding investments in ANZ Term Deposits and ANZ Cash Advantage) except for TTR pension. For TTR pension the rebate is 0.118% p.a. (0.10% p.a. after tax).

Buy-Sell spreads

You may also incur a buy-sell spread when your money moves in or out of an investment fund. This is a fee to recover transaction costs incurred by the Fund in relation to the sale and purchase of assets arising from investments into and withdrawals from an investment fund. For example, when you make a transaction, for every \$1,000 you invest in the OnePath Growth Index fund, the buy spread incurred is currently 0.03% or \$0.30. The sell spread incurred is also currently 0.03% or \$0.30. This means that the total buy-sell spread cost for the example \$1,000 investment will be 0.06% or \$0.60. At all times your account balance is valued at the 'sell' unit price which incorporates the sell spread. The buy-sell spreads for each investment fund are available in the Buy-Sell Spread Guide at onepathsuperinvest.com.au/forms-and-brochures

Adviser Service Fees

Additional fees (Adviser Service Fees) may be paid to a financial adviser if they are consulted.

This is an optional fee agreed between you and your adviser for your financial adviser's services. You can choose to have this fee paid from your account where it is in relation to your interest in the Fund. **Please refer to the Fees Guide and your Statement of Advice given to you by your adviser for details about the fees applicable. Your Statement of Advice will include details of any Adviser Service Fees.**

Defined Fees

You can find definitions relating to the fees described in this section under the heading 'Defined fees' in the OneAnswer Frontier Personal Super and Pension Fees Guide which is available at onepathsuperinvest.com.au/forms-and-brochures

You should read the important information about 'Fees and other costs' before making a decision. Go to the OneAnswer Frontier Personal Super and Pension Fees Guide and Buy-Sell Spread Guide at onepathsuperinvest.com.au/forms-and-brochures. The material relating to 'Fees and costs' may change between the time when you read this Statement and the day when you acquire the product.

7. HOW SUPER IS TAXED

The tax paid on monies invested in a superannuation fund may be lower than the tax you would pay outside a superannuation fund; however, many factors can influence the way your super is taxed.

Tax may apply to your super on contributions, on investment earnings and on withdrawals. The amount of tax payable will depend on your age and individual circumstances.

Tax on concessional contributions and investment earnings is paid by the Fund to the Australian Taxation Office (ATO) on a monthly or quarterly basis, with an annual payment made if required.

Tax on contributions

Concessional contributions which include employer (e.g. Super Guarantee and salary sacrifice contributions) and personal contributions claimed as a tax deduction are generally taxed at 15% in the Fund. An additional 15% tax may apply to some higher income earners. Non-concessional contributions which include spouse and personal contributions not claimed as a tax deduction are not subject to tax in the Fund. You should be aware that caps apply to both concessional and non-concessional contributions and **if you exceed these caps in the relevant financial year there may be taxation consequences.** You should monitor the amount of contributions to your super to ensure that you do not exceed the caps that apply to you.

Tax on investment earnings

Investment earnings are taxed, generally, at a tax rate of 15% during accumulation phase (including a TTR pension); however, the effective rate may be reduced by franking credits, foreign tax offsets and concessional tax capital gains. Investment earnings are generally not taxed within your pension account (that is not a TTR pension account).

Tax on withdrawals

Your OneAnswer Frontier Personal Super or Pension account will generally consist of taxable and tax-free components. You are required to draw down proportionately from these components.

If you are aged 60 and over, a lump sum or income stream payment is generally tax-free.

If you are aged less than 60, tax may be payable on the taxable component of lump sums and income stream payments.

Tax is not payable on the tax-free component, or lump sum payments if paid as a terminal medical condition payment, regardless of age.

Specific tax rules apply to lump sum and income stream payments on a member's death. Tax is not payable on lump sum payments made to a death benefits dependant. In other circumstances, tax may be payable based on the age of the member, the recipient and the relationship between the member and the recipient.

Providing your tax file number (TFN)

We, the Administrator and any third party engaged by either us or one of our related parties to provide superannuation administration services relating to this product are authorised to collect your TFN under super laws. You are not obligated to provide your TFN and declining to quote your TFN is not an offence. However, if you do not provide your TFN we will:

- not be able to accept member contributions
- you may be liable to pay additional tax on concessional contributions
- you may be liable to pay additional tax on withdrawal payments
- you could miss out on any government contributions (if eligible)
- it may be difficult to locate or consolidate your super benefits in the future.

Tax law in relation to superannuation is complex and the above information has been prepared as a guide only and does not represent taxation advice. Please see your tax adviser for independent tax advice taking into account your individual circumstances.

Go to the section 'How super is taxed' in the OneAnswer Frontier Personal Super and Pension Additional Information Guide at onepathsuperinvest.com.au/forms-and-brochures

You can open your account with a rollover from another superannuation fund or an initial investment with as little as \$2,000. You can make your initial and additional investments by cheque, direct debit, internet banking (EFT) or BPAY®.

* Registered to BPAY Pty Ltd ABN 69 079 137 518.

OneAnswer Frontier Pension

Once you have set up your OneAnswer Frontier Pension account, you cannot make any further investments into that account.

Cooling-off period

When you initially invest in OneAnswer Frontier Personal Super or OneAnswer Frontier Pension, you will have the opportunity to review your investment to ensure it meets your expectations. This is known as a 'cooling-off' period. If you are not satisfied with the investment you have made, you may cancel your initial application within 14 days of the earlier of:

If you cancel your investment within the cooling-off period, you may have it rolled over to another superannuation fund or, if eligible, have it paid to you. Your investment amount will be adjusted for any changes in the unit price of the investment option(s) selected, less any withdrawals and transaction costs.

9. ADDITIONAL INFORMATION

Benefits of OneCare Super cover

Protect those closest to you by packaging insurance cover with your superannuation.

Insurance cover is available through OneCare Super. OneCare Super provides Life and/or TPD, Income Secure and Extra Care Cover. You can also access cover that sits outside of super, this is called SuperLink. SuperLink allows you to link your Life or TPD cover held inside super to cover that is held outside super. This arrangement allows you to access more benefits and features that do not meet a condition of release inside super. However, any premium payable outside super cannot be paid from your OneAnswer Frontier Personal Super account and must be paid from non-super money.

Premiums are payable for cover provided through OneCare Super and you can nominate to have them directly transferred from your OneAnswer Frontier Personal Super account. You can apply for this cover by following the instructions in the OneCare Super PDS. Applications must be made through a financial adviser.

OneCare Super is issued by OnePath Custodians Pty Limited. For full terms and conditions about OneCare Super, refer to the OneCare Super PDS and TMD which is available at onepathsuperinvest.com.au/forms-and-brochures, from your financial adviser or by contacting Customer Services. You should consider the PDS in deciding whether to acquire, or to continue to hold, the product.

Adviser remuneration declaration

Please read this important information about adviser remuneration before submitting this application form.

By signing and submitting this form, you instruct and authorise the Trustee to deduct the agreed ASF from your account balance and to pay this to your adviser (nominated in Section 14).

In giving this instruction to the Trustee, you should note that:

- The fees to be deducted from your account may only relate to advice services provided by your adviser in respect of your interest in the Fund;
- OnePath Custodians is required to obtain your specific written consent before a fee for financial advice can be deducted from your account. However, you are not under any obligation to consent to the fee being deducted;
- your ASF is negotiable with your financial adviser and can be cancelled at any time;
- the ASF will be deducted by redeeming units from your investment;
- where the ASF is payable as a percentage, it will be calculated on your total account balance. However, in this case no part of your account balance may be funded from borrowed money;
- if you choose to pay an Ongoing ASF, your consent to pay the Ongoing ASF to your adviser will cease on the consent end date (nominated in this form) unless you withdraw your consent or vary the Ongoing ASF arrangement at any time by notice in writing to your adviser or by contacting Customer Services;
- if you choose a Fixed Term Arrangement ASF, your consent will last until the end date nominated in the Fixed Term Arrangement ASF section above but can be revoked at any time; and
- if you choose a one-off ASF, your consent can be revoked before the one-off fee is paid.

Adviser remuneration declaration (financial advisers only)

Only to be completed by financial advisers where an ASF is nominated.

By signing below, I confirm and declare that:

- where an ASF is nominated it is solely for advice in relation to the member's interest in the Fund
- where an ASF is nominated it is not part of an early release scheme
- where an ASF is nominated it is reasonable and is commensurate with the type and scope of the advice being provided
- confirm the fixed term arrangement ASF will start on the start date nominated in Section 11. The end date cannot be more than 12 months after the fixed term arrangement ASF start date.
- I have specifically drawn the applicant's attention to any ASFs nominated above and I have explained the implications and the effect of these fees for them.

Information you provide

We will rely on the information you give us to process your request. By signing and submitting this transfer form, you represent that the information you have provided is true and correct.

Privacy

Your personal information will be handled in accordance with the One Path Custodians' Privacy Policy, which is available at onepathsuperinvest.com.au/about-us/privacy-policy. The Privacy Policy contains information about how you may access or correct your personal information held by the Trustee and how you may complain about a breach of the Australian Privacy Principles.

Before you submit this application

Before you submit this application, we recommend that you inform yourself about the consequences of a transfer of your benefits from your transferring fund. The implications may include termination of any insurance cover in the transferring fund and deduction of fees and taxes from your benefit by the trustee of the transferring fund (or the deduction of taxes from untaxed component of your transfer by the trustee). If you are requesting a partial transfer, you should also consider any remaining minimum balance requirements in the transferring fund.

You can ask the trustee of the transferring fund for information that you reasonably require for the purpose of understanding any benefit entitlements that you may have, including:

- information about any fees or charges that may apply to the proposed benefit transfer, and
- information about the effect of the proposed benefit transfer on any benefit entitlements you may have.

You should only submit this form if you have obtained any information you reasonably require, or you do not require such information.

Your contributions

If a full transfer has been requested, you should request that any contributions received by your previous fund after payment of your benefit be transferred to your account in the Fund.

If you have an existing account and have made personal contributions, a notice of intent or variation must to be lodged before a transfer. After transfer, you may not be able to lodge a notice or a variation for your existing contributions, and tax may not be refunded. You should be aware that the ATO will disallow a deduction on contributions made after age 67 if the work test or work test exemption is not met.

Authorisation

By signing and submitting this form, you request the transfer of your super benefit as set out in this form and authorise OnePath Custodians as Trustee of the Fund and the trustee of the transferring fund to give effect to this transfer (including by sharing any information about your benefit in the transferring fund necessary to effect this transfer).
