^For the MultiSeries funds introduced on 25/07/2022, the performance returns are net of ongoing fees applicable through OneAnswer and therefore differ from the underlying IOOF MultiSeries funds into which they invest.

Returns (except for OnePath Capital Guaranteed) are calculated on an exit price to exit price basis and are net of fees, taxes and charges. Yearly returns for OnePath Capital Guaranteed are derived from the declared annual crediting rate which are calculated as the weighted average of the earnings over the previous years, less management costs, and cannot be less than zero.

The information in this document has been prepared by OnePath Custodians Pty Limited ("OnePath Custodians") and OnePath Funds Management Limited ("OnePath Funds Management") (the "Issuers"). An investment is subject to investment risk, including possible delays in the repayment of principal and loss of income or principal invested.

The information in this publication is current as at **December 2024**, but may be subject to change. Updated information will be available free of charge by contacting Customer Services (for an investor) or Adviser Services (for a financial adviser).

The information provided is of a general nature and does not take into account an investor's personal needs, financial circumstances or objectives. Before acting on this information, an investor should consider the appropriateness of the information, having regard to their needs, financial circumstance and objectives.

Past performance is not indicative of future performance. The future value of investments may rise and fall with changes in the market.

Returns are calculated on an exit price to exit price basis and are net of fees, taxes and charges. Annualised performance is calculated in accordance with Financial Services Council Standard No. 6 "Product Performance: Calculation of Returns". However, yearly returns for the OnePath Capital Guaranteed fund are derived from the declared annual crediting rate which are calculated as the weighted average of the earnings over the previous years, less management costs, and cannot be less than zero.

An investor should read the relevant PDS available at onepath.com.au and consider whether a particular product is right for them before making a decision to acquire or continue to hold that product.

While every care has been taken in the preparation of the information in this publication, no warranty is given as to the correctness of the information contained in the investment returns table and no liability is accepted by the relevant issuer or its related group companies for any error or omission.
