The table below is the register of duties and interests which have been determined to be 'Relevant Duties' and 'Relevant Interests' for the purposes of APRA's Prudential Standard SPS 521 Conflicts of Interest. The Relevant Duties and Relevant Interests listed are those of the Trustee and its Responsible Persons.

A Relevant Duty or a Relevant Interest is one that might reasonably be considered to have the potential to have a significant impact on the capacity of the RSE licensee, the associate of the RSE licensee or the Responsible Person with the relevant duty or holding the relevant interest, to act in a manner that is consistent with the best financial interests of beneficiaries.

The Register is published to comply with OPC's Conflicts Management Policy obligations, fiduciary responsibilities, relevant legal and regulatory obligations.

OPC recognises that managing conflicts of interest and conflicts of duties is integral to its reputation and business objectives. This involves providing professional financial services and products which are in the best financial interests of members. The Insignia Financial Group *Conflicts Management Policy* outlines the mechanisms in place for the Group, which includes OPC, to manage conflicts under its licensing regimes, legislative, common law and fiduciary obligations. A summary of the Policy can be found on the OPC website.
