Dear <Title> <Surname>

Your Integra Pension account is moving to OneAnswer Frontier Pension

We're writing to let you know that over the weekend of 10 June 2023 your Integra Pension account will transfer to a new pension account, OneAnswer Frontier Pension.

As part of our commitment to our members, we have reviewed our products to ensure that they continue to meet our members' needs. This review took into consideration factors such as investment fees and costs, investment options and account features.

As a result of this review, we have determined that OneAnswer Frontier Pension is a more appropriate and contemporary product to help our members achieve their financial goals. The majority of members will pay lower ongoing fees and costs, while being able to access new investment options such as MultiSeries.

All Integra Pension accounts will be closed once the transfer to OneAnswer Frontier Pension is completed.

What this means for your pension payments

Your pension payment arrangements in Integra Pension will transfer to OneAnswer Frontier Pension and will be treated as a continuation of your existing income stream for social security purposes. This includes the original purchase date and price, payment dates, frequency of payment and amounts. This will take place automatically and you are not required to take any action.

If your regular pension payment is due in the period leading up to the transfer, we'll bring your pension payment forward to 7 June 2023.

After the transfer to OneAnswer Frontier Pension your regular pension payments will resume.

Your investment options and fees and costs may change

Your account balance as at the date of transfer will either be invested in the same investment option/s, where available, or the most appropriate alternative to your current Integra Pension investment option/s.

After the transfer your pension payments will be deducted from the new investment option/s in line with the way in which the pension payments were deducted from your Integra Pension account.

There will be changes to your ongoing fees and costs. To find out what this means for you, refer to the 'What do the changes mean for me?' pages enclosed with this Letter.

What do I need to do?

We encourage you to carefully review the information in this Letter and the 'What do the changes mean for me?' pages as well as the enclosed Reference Guide. **In particular, you should consider the impact of the transfer on your investments and fees.**

We recommend that you speak to your financial adviser about the changes outlined in this Letter.

To find out more about OneAnswer Frontier Pension, see the Product Disclosure Statement (PDS) and Additional Information Guide available from www.onepathsuperinvest.com.au > Super & Investments > Forms & Brochures, or free of charge by calling Customer Services.

What if you don't wish to transfer to OneAnswer Frontier Pension?

If you don't wish to have your Integra Pension account transferred to OneAnswer Frontier Pension, you have the option of rolling over your super to another account **before 5pm (AEST/AEDT) 2 June 2023**. We recommend that you speak to your financial adviser before doing this as you may incur costs in transferring your pension investments.

Key dates you need to know - transaction freeze

To enable us to complete the transfer to OneAnswer Frontier Pension, there will be a transaction freeze period when you and our Customer Services team won't be able to process certain transactions on your account or make changes to your Integra Pension account. This transaction freeze period will start at 5pm (AEST/AEDT) on Friday 2 June 2023 and ends at 9am (AEST/AEDT) on Tuesday 13 June 2023. See 'What do the changes mean to me?' for more details.

Your Transfer Confirmation and OneAnswer Frontier Pension Welcome Pack

Once the transfer takes place, we'll send you a Transfer Confirmation along with a OneAnswer Frontier Pension Welcome Pack. Your Welcome Pack will provide your new account information including your new member number, investment options and standing instructions on your account. It will also provide details on how to access your My OnePath account online at www.onepathsuperinvest.com.au

Can you access OneAnswer Frontier Pension online?

If you already have online access to My OnePath, your new OneAnswer Frontier Pension account will appear in your My OnePath account once the transfer has been completed. For more information about the fees and costs in OneAnswer Frontier Pension refer to the OneAnswer Frontier Personal Super and Pension Fees Guide available from www.onepathsuperinvest.com.au >Super & Investments >Forms & Brochures.

One-off transaction cost

If currently you hold investment option/s that are not available on the OneAnswer Frontier Pension investment menu, your existing investment options will be transitioned to the most appropriate alternative investment option/s. To make the transfer as seamless as possible, we will adjust some aspects of the existing investment option/s before the transfer, such as their asset allocations, underlying investment managers and/or underlying investment fund/s. We're doing this to align to the investment option/s that your account balance will be moving to.

While we won't be charging buy-sell spreads at the time of transfer, the adjustments (outlined above) will incur transaction costs which will be reflected in the unit price of the existing investment option/s. We expect that these costs will not be higher than the disclosed buy-sell spread of the new investment option/s. You can view the buy-sell spread for the new investment option/s in the OneAnswer Frontier Pension Buy-Sell Spread Guide available from www.onepathsuperinvest.com.au >Super & Investments >Forms & Brochures.

What happens to your beneficiary nomination?

If you currently have a valid Reversionary Pensioner nomination and/or a Non-lapsing Beneficiary nomination, it will remain in place on transfer to OneAnswer Frontier Pension.

We recommend that you regularly review your beneficiary nomination to ensure that it remains appropriate to your circumstances. If you need to, you can make a new non-lapsing beneficiary nomination in your OneAnswer Frontier Pension account by completing a Nomination of Beneficiary form available from www.onepathsuperinvest.com.au >Super & Investments >Forms & Brochures, or speak to your financial adviser. A reversionary nomination cannot be added or changed.
