## IMPORTANT INFORMATION RELATING TO THE ESTIMATES

The cents per unit (CPU) are estimates only. The actual CPU to be distributed after 30 June 2023 may be significantly different, due to a range of factors.

The estimated CPUs are based on the capital gains derived by the relevant fund during the financial year to 30 April 2023.

Distribution estimates have not been provided for funds which wholly invest into externally managed underlying funds and the required information is unavailable. Please note some external funds are managed by us under mandate with the external manager and these are included.

**The estimates are indicative only and the final distributed components shown on an investor's annual Tax Statement as at 30 June 2023 may vary substantially from the above figures. The estimates should not be relied upon as an accurate forecast, guarantee or projection of future distributions. Financial advisers and investors should not rely on this information for any decision-making purposes including completing tax returns.**
