

ANZ FLEXIBLE INCOME PLAN SERIES 1 – INVESTMENT OPTIONS BEING TERMINATED

Product Update | May 2024

This Product Update provides important information for current investors in ANZ Flexible Income Plan Series 1.

WHAT IS CHANGING?

The following investment options, available to existing investors through ANZ Flexible Income Plan Series 1, will terminate on or around 8 June 2024.

- ANZ Australian Shares
- ANZ Growth
- ANZ Property Securities
- ANZ Select Leaders Fund

WHY ARE THESE OPTIONS TERMINATING?

After careful consideration, we determined that the level of investor interest and funds under management does not justify the ongoing operational costs associated with maintaining these options. By closing these options, we aim to optimize our resources and focus on investment opportunities that align more effectively with the needs and preferences of our valued investors. Please be aware the decision to close these options has been done taking into account investors best interests.

WHAT DOES THIS MEAN FOR INVESTORS?

As a result of the termination of these options, it will not be possible to make any future investments into them. However, you will continue to be able to invest in any of the other open options at any time, and we strongly recommend seeking advice from your financial adviser to ensure that your investment strategy aligns with your specific needs, time horizon, and risk tolerance.
