# Fund Summary

## OnePath Diversified Fixed Interest Trust OneAnswer Frontier Investment Portfolio

30 November 2023

### Market and portfolio review

The third quarter of 2023 saw Sovereign bond market yield curves steepen as the market became comfortable that central banks were at the end of their rate hiking cycles, but repriced the long ends higher on the mantra that rates would need to be kept higher for longer. Overall the trust outperformed over the quarter. Managers Shenkman, Muzinich and Oaktree were added over the quarter through an allocation to the Extended Credit trust. Janus Henderson and PGIM were big contributors, performing well above the return of the benchmark. Manager Brandywine underperformed the benchmark over the quarter.

### Future investment strategy

The Trust generally gains its investment exposure by investing in a well-diversified portfolio of Australian and international fixed interest managers. The underlying fixed interest investments include a range of international and domestic government bonds, corporate debt and asset backed securities.

OnePath Funds Management Limited (ABN 21 003 002 800 AFSL 23 8342) and OnePath Custodians Pty Limited (ABN 12 008 508 496 AFSL 238346 RSE L0000673) are the issuers of this material. Except as described in the relevant Product Disclosure Statement (PDS), the issuers do not stand behind or guarantee the capital or performance of your investment. Your investment is subject to investment risk, including possible repayment delays and loss of income and principal invested.
