Investment objective

The fund aims to achieve returns (before fees, charges and taxes) that magnify the S&P/ASX 300 Accumulation Index returns.

Investment strategy

The fund invests capital and borrowings in a diversified portfolio of Australian shares. The share portfolio comprises approximately 300 of the largest companies (shares) listed on the Australian Securities Exchange (ASX). The fund will hold most of the securities in the S&P/ASX 300 Index (Index), allowing for individual security weightings to vary marginally from the Index from time to time.

Minimum time horizon

5 years

Standard Risk Measure*

The Standard Risk Measure (SRM) is based on industry guidance to allow investors to compare funds that are expected to deliver a similar number of negative annual returns over any 20 year period. The SRM for this fund is shown below:

Fund Summary

OnePath Geared Australian Shares Index Trust

OneAnswer Frontier Investment Portfolio

31 March 2024

Market and portfolio review

Australian Equities performed strongly in the March quarter with the index rising by 5.43%. The portfolio redeemed out of its holding in Invesco Efficient Income during the quarter. OC (Small Caps) outperformed due to positive stock selection in materials and from being overweight information technology. Selector outperformed due to positive stock selection in materials and from being overweight information technology. Legg Mason outperformed due to positive stock selection in materials and financials. Acorn underperformed both the emerging companies index and the ASX 300. This was driven by steep share price falls in a number of stocks that the manager holds. Alliance Bernstein Concentrated underperformed due to negative stock selection in financials and real estate. Quest underperformed due to negative stock selection in consumer discretionary and consumer staples.

Future investment strategy

The Trust generally gains its investment exposure by investing in a well diversified portfolio of Australian share investment managers. The Trust's investments generally provide exposure to stocks within the S&P/ASX 300 Accumulation Index.
