Market and portfolio review

GREITs rose in the March quarter, significantly outperforming equities. No positive contributors. Resolution detracted from performance.

Future investment strategy

The Trust generally gains its investment exposure to the international and Australian property securities markets by investing in a diversified portfolio of property securities managers. The Trust's investments provide diversified exposure to international and Australian listed, or soon-to-be listed, property securities. The underlying investment managers may utilise strategies for managing currency exposure. The Trust has the capacity to apply a currency overlay to manage the currency risk.
