† Returns quoted use the unit price which is calculated using the net asset values for the relevant month end. The prices shown may differ from the actual unit price if an investor is applying for or redeeming an investment. Actual unit prices will be confirmed following any transaction on an investor's investment. Please note that all returns are after the deduction of management fees and expenses and assumes all distributions are re-invested. Where applicable, management fees have been deducted at the highest entry fee option rate. No allowance has been made for entry or exit fees.
