Market and portfolio review

The portfolio closely tracked its underlying index, the S&P/ASX 300 A-REIT Index, which returned -6.09% during the same period. The portfolio is solely exposed to the real estate sector with a focus on Australian real estate investment trusts (A-REITs) and mortgage REITs. The portfolio's exposure to the real estate sector was a negative contributor (-6.09%) during the period, stemming from Diversified REIT (-2.21%) and Industrial REIT (-1.44%), while only Hotel & Resort REIT (+0.02%) was a positive contributor. Among individual securities, Qualitas Real Estate Income Fund was the largest contributor to absolute performance (+0.02%) while Goodman Group (-1.30%) was the largest detractor on an absolute basis.

Future investment strategy

The Trust generally gains its investment exposure to the international and Australian property securities markets by investing in a diversified portfolio of property securities managers. The Trust's investments provide diversified exposure to international and Australian listed, or soon-to-be listed, property securities. The underlying investment managers may utilise strategies for managing currency exposure. The Trust has the capacity to apply a currency overlay to manage the currency risk.
