

# INTEGRA SUPER

(Closed to new employer plans and new members)

January 2019

This is a summary of the key features of Integra Super. For more details see the disclosure document provided to you when you joined Integra Super, and any updates provided since this time.

If you do not have these document or need assistance call us on 1800 932 018.

Integra Super is an employer-sponsored superannuation product that helps you to accumulate and grow your super savings in a tax-effective way. It also provides access to insurance cover within your superannuation.

## Key Features

- A wide choice of over 55 investment funds with unlimited free switching
- Access to comprehensive insurance cover for death, disablement and income protection

Being a member of Integra Super gives you access to a range of benefits now, and into the future.

These include:

- Online financial education and calculators
- A wide choice of over 55 investment funds with unlimited free switching
- Access to comprehensive insurance cover for death, disablement and income protection
- Hassle-free rollover assistance from other super funds you may have
- Convenient online transacting and contribution options
- Helpful and efficient telephone and online customer service
- The ability to keep many of your benefits when you change jobs.

## Wide investment choice

Integra Super allows you to choose from over 55 different investment funds – spread across a wide range of investment styles and asset classes.

These include single manager, multi-manager, sector specific, diversified, index, ethical, alternate, domestic and international investment funds.
